Our movement has been fairly minor so far. They've laughed us off as small insults

However, we gradually grew in numbers

As of now, we've become big enough that they wouldn't be able to ignore us

And tonight,

We take one step further into revolution

TUUP

Welcome, Karl.

I trust that you will take care of it cleanly

Excuse me.

What is it you want at this hour?

I apologize for being late to the meeting.

Father.

I've heard a strange gossip.

Which is?

It's this...

It's nothing. Now that I think about it, it's ridiculous.

I heard you kill your servants one by one. Haha...

There is no way that you.

RUMBLE

I didn't expect you to come here from a gossip.

I guess I need to make sure that the man keep their mouth shut better.

Although, you have become old enough to know.

Come inside.

So, this is how this room looks like inside.

Such thick incense smell.

Wait...

It's not incense...

It's something else.

Father...

I'd like to ask a question just in case.

What did the woman want you to take care of?

Ch. 1021

Roul!

What... is this?

Roul! Can you hear me?!

You shouldn't touch him.

Because no one knows what you might contract.

I told them to wait him completely before he was dead sigh.

Father, were you undertaking tasks to curse others?! Why would you do that?!

And what are these bodies for?!

Have you been using your own servants to shield yourself from the backlash of the curse?!

I'm becoming increasingly sickened by your naivete.

How can you say that you didn't know?

All renowned families

earned their place with curses.

Did you think the Rokan wouldn be any different?
